Using Pivot to Search for Funding Opportunities

What is Pivot?

- Pivot is a powerful funding opportunity tool
- It is the newest generation of the Community of Science (COS) search tools

FUNDING OPPORTUNITIES
The most comprehensive source of funding opportunities globally with a total monetary value of over \$23 billion and growing.

PRE-POPULATED SCHOLAR PROFILES
Researcher expertise is matched against millions of profiles that increase opportunities for funding as well as internal and global awareness and collaboration.

COLLABORATIVE WORK FLOW
Global and local connections strengthen research by exploring new avenues and build a strong network for faculty, staff researchers, and graduate students.

Pivot

- Available to faculty, students, and staff at all 10 UH campuses and UH system offices (access from UH computer or by registering with UH email account)

Pivot Features

- Access to over 25,000 funding opportunities and the ability to sort by funding type, i.e. federal or state, private foundations, commercial entities
- Pre-populated PI profiles for over three-million researchers worldwide
- Identifies funding opportunities for account users with claimed profiles

Pivot Features

- Ability to save searches
- Access to advanced search function
- Tracks opportunities for:
 - Changes in deadlines
 - General updates
- Track usage
 - See if there are others who may be interested in the opportunity

Accessing Pivot

- From ORS website (www.ors.hawaii.edu) "Search" tab

Accessing Pivot

- <http://pivot.cos.com/>

Create a Pivot Account

- Navigate to www.pivot.cos.com
- Click on register for a Pivot account link in top right corner
- Click the Create my account button
- You will receive email verification and a link to log into Pivot.

Claim an Existing Profile

- Log into Pivot
- In the upper right hand corner, your name will be displayed. Click on “Claim profile” link.
- Locate your profile from the list of options.
- Click on the “This is me” button to the right of the profile name.
- Confirm or update the e-mail address on record.

Update your Profile

- The followings profile fields can be updated:
 - Name
 - E-mail addresses
 - WebPages with publications
 - Degrees
 - Affiliations (both past and present)
 - Other (open text box for additional information)
 - Upload box (to upload CV or publications list)

Create a Pivot Profile

- If upon searching from your profile, you do not see your name, click on the “Suggest a scholar”

CRS
Center for Research Services

New Profiles

- New Pivot profiles will be reviewed by the Pivot Editorial Team
- Review may take up to two weeks.
- Reviews of profiles occur on average once every 12 – 18 months
- Edits to existing profiles are accepted immediately

CRS
Center for Research Services

A screenshot of a Pivot profile for Steven Chu. The profile includes contact details (schu@stanford.edu, schu@leland.stanford..., schu@lbi.gov), funding matches (12 funding opportunities), and a personal website link (http://www.stanford.edu/group/chugroup/steve.html). Red arrows point from the text 'CONTACT INFORMATION' and 'PRE-POPULATED FUNDING OPPORTUNITIES' to the contact details and funding matches sections, respectively.

Pivot Tips

- Pivot account is required if:
 - accessing Pivot from non-UH networked computer
 - want to save opportunities searches
 - want to claim your profile
- Use your UH email when setting up an account

CRS
Center for Research Services

Pivot Tips

- Avoid using tracking function if you do not wish others to know you are interested in an opportunity
- If using the share function with a colleague at a non-Pivot subscribing institution, the amount of time they have to view the opportunity may be limited.

Pivot Tips

- Opportunities with “Confirmed” deadlines are active; “Anticipated” deadlines have not yet been announced
- Saved search listings are updated every Sunday.

Help Using Pivot

- Liane Akana, 956-9117 or via email lianea@hawaii.edu
- Pivot Help desk accessible while logged into your Pivot account (see Support/Help link found at the bottom left of homepage)
