Vet Centers are community-based counseling centers that provide information and assistance to combat veterans and their families in a safe environment. The Honolulu Vet Center has been serving Combat Veterans here on Oahu for over 30 years. We are staffed with licensed professionals that care, understand the individual needs of the combat veteran, and the importance of listening.

Vet Centers are FREE and CONFIDENTIAL and do not require enrollment in VA Healthcare system to utilize. There are 300 Vet Centers located nationwide dedicated to helping our clients and their families reintegrate back home within the community. Vet Center hours are flexible based directly on the needs and income of Veterans who have served in the Global War on Terrorism have up to 5 years after active duty discharge to receive health care services for conditions that may have occurred or been aggravated on deployment at no cost. In 2003 and 2009, eligibility changed to allow more veterans access to VA Health Care, to find out more, visit or call Patient Registration. First time visitors should always bring a copy of your DD-214 to verify status and complete registration.
